Notes:

All prices are in AUD.

Partner rate applies to partners only (e.g. consortium members), please contact us if you are not sure.

Commercial rate applies to any projects that have direct commercial interest.

Listed pricing are for standard products and services as per description, any further specific requirements (e.g. special slide, data in different format) are subject to negotiation and may incur additional charges. All products are procured and provided under VCB ethics governance (i.e. recruited through VCB Consent Form).

Selection of biospecimen from difficult to collect cohorts will incur additional 50% charges (please refer to website for the updated list).

Data fees will be charged for each retrieval. While the best possible effort to retrieve data from available sources is made (hence the charges), we cannot guarantee data availability from those sources. Fees may be waived for cases/data that initial assessment indicates are not achievable, at discretion of VCB.

Data bundles discount: 1st and 2nd items full price (higher price items), remaining items are charged at 50%. Items billed per access, subsequent access to data will be subject to additional fees.

^ Staging can be either VCB derived or clinical.

* Data are retrieved and verified across Participant questionnaire and EMR where possible to enhance data reliability at our best effort.
