All quotes are in AUD.

Partner rate applies to partners only (e.g. consortium members), please contact us if you are not sure.

Commercial rate applies to any projects that have direct commercial interest.

Listed pricing are for standard products and services as per description, any customisation subject to feasibility assessment and may attract additional charges (e.g. different blood tubes, different processing protocol).

Full fee may be charged for cancellation of Biospecimen services within 12h where resources have been specifically allocated.

Contact us for services not listed to discuss feasibility.
